Progression Checklist

3776 ´Engineering (Honours)/ Surveying

The Bachelor of Surveying program includes a 144 UOC depth component, made up of a 72 UOC Engineering Foundation and a 72 UOC Surveying Core. Since students complete the Engineering Foundation courses as part of their Civil Engineering stream, these courses will be double counted and reduce the total duration of the dual program by 72 UOC.

Students should refer to the structure information pages for rules on the single programs and plans:

3775 Bachelor of Surveying
